Dear Parishioners,

In conjunction with our parish finance council it pleases me to announce that with the permission of our Bishop David M. O'Connell and the financial support of the diocese, Holy Family Church has purchased the property on the corner of Hwy.36 and Fr. Fitzpatrick Way, adjacent to our parking lot. The acquisition of this property has been a long-time goal of the parish, which will assist us in the long-term future plans.

Most of you are already aware of the fact that Holy Family Church has applied to Hazlet Township for the rezoning of the front portion of our school property to Business/Highway in order to prepare the parcel of land for sale. Without an active school it is no longer possible or practical for the parish to sustain the expenses of the Hazlet buildings and acreages. We must begin to prepare our plans for the future of the parish and this will be the beginning.

At this point in time there are no definite answers for the surrounding neighbors as to what will eventually become of the property on the Hazlet side of the highway but I don't believe we will be shopping at Walmart.

I ask for your patience and continued support over the months and years ahead. Let us all pray that the Holy Family will keep us in their care and that our parish will go forward in its ministries of educating our young and old in spiritual and social matters and in serving the needy of the surrounding communities.

Fr. Mark
