IMPORTANT INSTRUCTIONS – PLEASE READ

For everyone's health safety we ask that you adhere to the following procedures when you arrive to make your donation:

1. Pull up to the pantry garage door - we will have the garage door open
2. Place your groceries in the garage - either on top of a table or on a shelf
3. Return to your vehicle and exit the church parking lot
4. If you arrive and someone is unloading their vehicle, we ask that you wait in your vehicle until they depart before you pull up to unload your donations.

At noon we will be closing the pantry garage, where the food will then be kept in quarantine for the following week, so we ask that you **do not include any perishable items in the donations** as they will spoil before the food is sorted for distribution to our pantry families.

Thank you and May God richly bless you for your kindness to our neighbors!
